Cross examination by Mr. Lopez (Prosecution), Page 106

Q: [Name Redacted], let me ask you just some last couple of questions. On May 4th, 2001, isn't it true that you were convicted of trafficking a controlled substance; to wit: heroin by possession with intent to distribute?

A: No I wasn't convicted. I have a deferred sentence.

Q: But you appeared before a court, and you pled guilty on January 2nd, 2001, of the offense of trafficking a controlled substance; heroin by possession with intent to distribute?

A: Yeah. But what does that have to do with this?
